Re: Grady v. Annetts, 07CV3776(DC)

Dear Judge Chin:

The purpose of this letter is to request an extension of time of forty days, to and including August 30, 2007, for defendants to answer or otherwise move with respect to the complaint in this 1983 action making claims against corrections officials. One of the defendants has not yet been served and the requested extension of time will allow plaintiff the opportunity to serve process on that individual (Maria Alomar, now a court security officer with the Office of Court Administration, stationed at the Family Court, White Plains, NY). Plaintiff's counsel should take that step as provided under the Rules. The requested time will allow an opportunity for our office to investigate the facts.

I spoke with the secretary for plaintiff's counsel (Amy Ng, secretary to James B. LeBow, Esq.), who expressed consent to the requested extension period on counsel's behalf.
